Cricut mats come in four different colors. Each color represents a different strength of adhesive. Green is the original mat. Each mat comes in two sizes: 12 x 12 and 12 x 24. Mats can be purchased individually, in variety packs, and in bulk.

Standard Grip Mat

Ideal for use with card stock, patterned paper, embossed card-stock, iron-on, vinyl, and more!

The FabricGrip

Has increased strength, density, and quality plus a light adhesive to create beautiful cuts with a wide variety of fabrics. Use with Cricut® machines and Rotary Blade or Bonded-Fabric Blade.

Lightweight Mat

Ideal for use with common office paper, light card stock, vellum, and more.

StrongGrip Mat

Has a strong adhesive surface perfect for securing heavyweight materials such as specialty card stock, glitter card stock, chipboard, and fabric with stiffener.
